

This Weeks 'What's Happening'

This Week is National Road Safety Week! The children will be learning about how to keep themselves safe by the road with our Road Safety role play activities this week. Now that the mornings and evenings are darker, take care on the roads and encourage your child to wear our illuminous. **Be Safe Be Seen** stickers that we will be handing out this week.

Congratulations! To Sundas Aslam our Level 1 Early Years Support Worker who has been awarded her Level 2 apprenticeship in Early Years and Childcare and Alisha Tanwir our Level 3 Early Years Practitioner who has achieved a 2:1 B.A. (Hons.) Degree in Children's Care and Education!! Fantastic news!!

To view this week's menu please visit the news section of our website and our **Winter Week 3a menu.** Try some of the Better Health, Healthier Families recipes at home! Visit https://www.nhs.uk/healthier-families/recipes/

This week in nursery

Our sign of the week is **Stop** and **Go**.

Weekend Adventures with Milo Our 50 Things To Do Before You're 5 Monkey Last weekend Milo went to a Bonfire Night celebration at Ponden Mill with Kaye and her family. They watched from a safe distance when the bonfire was lit and had some delicious pie & peas and a hot chocolate with some parkin afterwards!

This week in the 2-3-year-old rooms

In **red, orange,** and **purple** rooms, the children have been developing their confidence in managing risk and staying safe when exploring the outdoor equipment. This week we will be learning all about how to keep safe on the roads and whilst out and about in the community. The children will be encouraged to think about why they need to stay safe on the road and in the car and how grown-ups can help them to stay safe as they roleplay with zebra crossings, bikes and stop and go games. Why not visit the **BBC's CBeebies Parenting** at https://www.bbc.co.uk/tiny-happy-people/articles/zbrd8xs for a traffic light game that you can play at home.

This week in the 3-5-year-old rooms

In **blue**, and **green** rooms the children have been developing their fine motor skills and hand-eye coordination while exploring our 'Tap Tap' kits. They have learned to use the small hammers and pins safely to create their own patterns and shapes. This week, we will build on these skills by introducing new resources—such as nuts and bolts—that involve connecting and disconnecting pieces. This will help the children become even more capable and confident with tools, while encouraging them to plan their next steps and use new vocabulary to describe how things work. Why not visit **CBeebies Parenting** at https://www.bbc.co.uk/tiny-happy-people/articles/z64rh4j to find out how you can support your child's fine motor development at home.

Watch staff from **red, orange** and **purple** rooms read their core story
It's Mine! by **Rod Campbell**
