Wednesday 25th November

Children's Photographs Today The photographer will be in school today taking individual photos of the children, and if ordered by Tempest's deadline will be ready in time for Christmas. If you do not wish your child to be photographed, then please speak to your key person.

This week in the 2-3-year-old rooms

In **red**, **orange** and **purple** rooms, the children have been making marks and creating shapes and prints in paint using their hands, finger tips and natural materials such as twigs, logs and sticks. We will extend this interest by introducing a variety of tools such as paint scrapers, rollers and stamps. They will be learning how to the hold and use the tools effectively to create unique textures, unpredictable effects and repeated patterns. Why not visit the **BBC's CBeebies Parenting** to find out about the benefits of getting creative together at https://www.bbc.co.uk/tiny-happy-people/articles/zhw7639

This week in the 3-5-year-old rooms

In **blue** and **green** rooms, the children have been developing their skills using small hammers, nails, nuts and bolts. This week we will be introducing our woodwork bench where the children will further develop these skills as they learn to use screw drivers and hammers to connect and disconnect things. The children will be encouraged to talk about what they have created and how.
